These regulations implement the provisions contained in the final judgment issued by the United States District Court on December 20, 1994 in the Blanco v. Anderson court case. The judgment defines the parameters and options within which CWDs must provide mandated services to the public when offices are closed during the regular eight hours of the working day. The attachment to this letter describes the major provisions of these regulations.

If you have any questions regarding these proposed regulations, please contact David Badal (Food Stamps) at (916) 654-1405 or Vincent Toolan (AFDC) at (916) 654-1808.

Definitions (M.S. 11-601.211, .212, .213, .213(a), .214, and .215)

These sections define terminology used in the final judgment issued in <u>Blanco</u> v. <u>Anderson</u>.

- M.S. 11-601.213(a) defines "Special Assistance" as the act of assisting the applicant in any way necessary in order to provide emergency benefits.
- M.S. 11-601.214 defines "Regular eight hours of the working day" as the eight hour period that CWD offices are open to the public.
- M.S. 11-601.215 defines "Working days" as Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays excluding Federal and State holidays.

County Responsibilities (M.S. 11-601.31, .311, .311(a), .311(b)(1) and (2), .312, .312(a) and (b), .313, .313(a), (b) and (c), .314, .314(a), (b) and (c))

These sections contain the specific procedures for counties to use for compliance with the mandates of the <u>Blanco</u> v. <u>Anderson</u> court order if county offices are closed to the public at any time during the eight hours of a regular working day (excluding Federal and State holidays).

- M.S. 11-601.31 specifies that if county offices are closed during a normal working day, the county must comply with all of the provisions in the succeeding sections.
- M.S. 11-601.311, .311(a), .311(b), (1) and (2) are being adopted to specify that during the hours of office closure during a normal working day, individuals shall be allowed to apply for and/or receive Food Stamp and/or AFDC benefits within the time limits prescribed by federal and state law by making applications readily available; providing a drop box or mail slot for filing applications; and, if necessary, by backdating applications filed on closure days.
- M.S. 11-601.312 is being adopted to specify that during hours of office closure, CWDs must provide individuals the opportunity to file an application for and receive expedited Food Stamp, Immediate Need AFDC, and/or Homeless Assistance benefits within the time limits prescribed by federal and state law.
- M.S. 11-601.312(a) and .312(b) specify that during hours of office closure, counties must either maintain sufficient staff to accept applications for emergency benefits or provide and maintain a local telephone service to accept and act upon applications as if such applications had been filed in person at the CWD office.
- M.S. 11-601.313, (a), (b), and (c) are being adopted to specify that counties must provide incoming callers on main telephone lines with information regarding days and hours of closure and how to apply for benefits during such closure.
- M.S. 11-601.314, (a), (b), and (c) are being adopted to specify the CWD's responsibility to post notices informing the public of days and hours of office closure and the procedures for applying for and receiving benefits within the time limits prescribed by federal and state law during closure periods.

<u>Handbook Section 11-601.313(d) and 11-601.314(d)</u>

Blanco v. Anderson Implementation

CHAPTERS

Manual of Policies and Procedures Division 11 (Administrative Standards for Eligibility and Assistance Programs), Chapter 11-600 (Lawsuits Involving Multiple Programs), Section 11-601 (Blanco v. Anderson Lawsuit); Division 44 (Standards of Assistance), Chapter 44-300 (Aid Payments), Section 44-317 (Beginning Date of Aid for New Applications); and Division 63 (Food Stamp Regulations), Chapter 63-000 (Food Stamp Implementation Schedule), Section 63-007 (Implementation of Blanco v. Anderson), Chapter 63-200 (Program Requirements), Section 63-205 (Location and Hours of Operation of Certification and Issuance Services), and Chapter 63-300 (Application Process)

INFORMATIVE DIGEST

These regulations implement the most recent judgment in <u>Blanco</u> v. <u>Anderson</u> which was issued December 20, 1994 and amended January 3, 1995. The judgment directs counties to provide notice to the public of the welfare offices' hours of operation and to provide direction to the public on how to apply for assistance benefits and/or medical services when the offices are closed during the regular eight hours of the working day.

Current regulations are silent on how the county welfare department (CWD) is to provide notice to the public of the CWD's hours of operation and how the CWD is to provide direction to the public on how to apply for assistance benefits and/or medical services when the CWD is closed during the regular eight hour day.

The proposed regulations specify how the notice and direction are to be provided to the public.

COST ESTIMATE

- 1. Costs or Savings to State Agencies: None.
- 2. Costs to Local Agencies or School Districts: None.
- 3. Nondiscretionary Costs or Savings to Local Agencies: None.
- 4. Federal Funding to State Agencies: None.

LOCAL MANDATE STATEMENT

These regulations do impose a mandate upon local agencies, but not on school districts. There are no "state-mandated local costs" in these regulations which require state reimbursement under Sections 17500 et seq. of the Government Code because any costs associated with the implementation of these regulations are costs mandated by federal law, as interpreted by the court order in Blanco v. Anderson, within the meaning of Sections 17513 and 17556 of the Government Code.

STATEMENT OF POTENT. COST IMPACT ON PRIVATE PERL S OR BUSINESSES AND OF ALTERNATIVES CONSIDERED

CDSS has determined that the proposed regulations do not impose an adverse cost impact on private persons or businesses, including the ability of California businesses to compete with businesses in other states because these regulations do not impact private persons or businesses.

CDSS must determine that no alternative considered would be more effective in carrying out the purpose for which the regulations are proposed or would be as effective and less burdensome to affected persons than the proposed action.

SMALL BUSINESS IMPACT STATEMENT

CDSS has determined that there is no adverse impact on small businesses as a result of filing these regulations because these regulations do not affect small businesses.

ASSESSMENT OF JOB CREATION OR ELIMINATION

The adoption of the proposed amendments will neither create nor eliminate jobs in the State of California nor result in the elimination of existing businesses or create or expand businesses in the State of California.

AUTHORITY AND REFERENCE CITATIONS

CDSS adopts these regulations under the authority granted in Welfare and Institutions Code Sections 10553, 10554, and 18904. Subject regulations implement and make specific Section 18902, Welfare and Institutions Code; and Blanco v. Anderson Court Order, United States District Court, Eastern District of California, No. CIV-S-93-859 WBS, JFM, dated January 3, 1995.

EMERGENCY STATEMENT

These regulations are to be adopted on an emergency basis. In order to allow interested persons an opportunity to submit statements or arguments concerning these regulations, they will be considered at public hearing in accordance with Government Code Section 11346.4.

FINDING OF EMERGENCY

These regulations are being implemented on an emergency basis for the immediate preservation of the public peace, health and safety, or general welfare, within the meaning of Government Code Section 11346.1.

DESCRIPTION OF SPECIFIC FACTS WHICH CONSTITUTE THE EMERGENCY

- 1. The decision in the case of <u>Blanco</u> v. <u>Anderson</u> requires: that if a county determines it is appropriate to close its offices during normal business hours, the county must provide means and instructions for individuals to apply for, and receive, Food Stamp, Aid to Families with Dependent Children (AFDC), homeless assistance, and Medi-Cal benefits, including emergency benefits, during the hours of office closure; and, that the county must post notices and inform incoming callers of the office hours and how to apply for and receive benefits.
- 2. The state and counties must comply with the court order immediately. The Department has determined that the most efficient and effective means of ensuring compliance is through the rulemaking process.
- 3. The nonemergency rulemaking process set forth in the Administrative Procedure Act is sufficiently lengthy that it is not possible to adopt the necessary state regulations in a timely enough manner to ensure that the needs of applicants for, and recipients of, aid are adequately met and that the households benefited by these requirements receive the maximum nutritional benefit to which they are entitled by state and federal law.
- 4. Therefore, in order to comply with the federal and state laws governing the Food Stamp Program, to insure that households maximize their entitlement to these significant health-vital benefits as described in Welfare and Institutions Code Section 18900, and to avoid possible potential additional litigation and needless administrative expense, these regulations are adopted as an emergency measure, to become effective July 1, 1995.

INFORMATIVE DIGEST

These regulations implement the most recent judgment in <u>Blanco</u> v. <u>Anderson</u> which was issued December 20, 1994 and amended January 3, 1995. The judgment directs counties to provide notice to the public of the welfare offices' hours of operation and to provide direction to the public on how to apply for assistance benefits and/or medical services when the offices are closed during the regular eight hours of the working day.

Current regulations are silent on how the county welfare department (CWD) is to provide notice to the public of the CWD's hours of operation and how the CWD is to provide direction to the public on how to apply for assistance benefits and/or medical services when the CWD is closed during the regular eight hour day.

The proposed regulations specify how the notice and direction are to be provided to the public.

COST ESTIMATE

- 1. Costs or Savings to State Agencies: None.
- 2. Costs to Local Agencies or School Districts: None.
- 3. Nondiscretionary Costs or Savings to Local Agencies: None.
- 4. Federal Funding to State Agencies: None.

LOCAL MANDATE STATEMENT

These regulations do impose a mandate upon local agencies, but not on school districts. There are no "state-mandated local costs" in these regulations which require state reimbursement under Sections 17500 et seq. of the Government Code because any costs associated with the implementation of these regulations are costs mandated by federal law, as interpreted by the court order in Blanco v. Anderson, within the meaning of Sections 17513 and 17556 of the Government Code.

AUTHORITY AND REFERENCE CITATIONS

CDSS adopts these regulations under the authority granted in Welfare and Institutions Code Sections 10553, 10554, and 18904. Subject regulations implement and make specific Section 18902, Welfare and Institutions Code; and Blanco v. Anderson Court Order, United States District Court, Eastern District of California, No. CIV-S-93-859, WBS, JFM, dated January 3, 1995.

INITIAL STATEMENT OF REASONS

a) <u>Description of the Public Problem, Administrative Requirement, or Other</u> <u>Condition or Circumstance the Regulations Are Intended to Address</u>

The <u>Blanco</u> v. <u>Anderson</u> lawsuit challenged the closure of county welfare department (CWD) offices during regular business hours except Saturdays, Sundays, and legal holidays.

The initial decision, issued on December 16, 1993, addressed only the closure of CWD Food Stamp offices without first having completed a review of the office hours of operation as required by federal regulations at 7 CFR 272.4(g). Emergency state regulations implementing the specific federal regulatory requirements for the required annual office hours review were effective June 1, 1994.

The most recent judgment, issued December 20, 1994, and amended January 3, 1995, finds that by allowing CWDs to close their offices during the "regular eight hours of the working day," class members have been denied their right to apply for and receive Food Stamp, Aid to Families with Dependent Children (AFDC), homeless assistance, and Medi-Cal benefits. This includes expedited Food Stamp, immediate need AFDC, homeless assistance, and immediate need Medi-Cal benefits. The judgment directs counties to provide notice to the public of the welfare offices' hours of operation and to provide direction to the public on how to apply for assistance benefits and/or receive emergency medical services when the offices are closed during the regular eight hours of the working day.

These regulations implement the December 20, 1994 judgment as amended January 3, 1995.

Specific Purpose:

These sections are being added to specify that when an application is filed with the CWD during the regular eight hours of a working day on which the CWD is closed, the date of application shall be the date the application is filed.

Factual Basis:

These sections are needed to comply with the terms of the December 20, 1994, Blanco v. Anderson court order, as amended January 3, 1995.

Handbook Section 63-300.383

Specific Purpose/Factual Basis:

This handbook section is included to provide an example of the determination of the date of application when an application is filed on a day on which the CWD is closed.

Chapter 11-600 and Section 11-601

Handbook Section 11-601.1

Specific Purpose/Factual Basis:

This handbook section provides a background summary of the $\underline{\text{Blanco}}\ v$. Anderson lawsuit and is for informational purposes only.

33

Sections 11-601.2 and .21

Specific Purpose:

These sections are being adopted to provide the counties definitions of key requirements.

Factual Basis:

These adoptions are necessary to comply with the <u>Blanco</u> v. <u>Anderson</u> final court order, dated January 3, 1995, and to provide the counties a clear understanding of key requirements.

Section 11-601.211

Specific Purpose:

This section is being adopted to provide clarity of the requirement to "accept and act upon applications for emergency benefits."

Factual Basis:

This adoption is necessary to comply with paragraph 5.b.(1) of the $\underline{\text{Blanco}}$ v. $\underline{\text{Anderson}}$ final court order, dated January 3, 1995; this provision is taken directly from the court order.

Section 11-601.212

Specific Purpose:

This section is being adopted to define the phrase "local telephone service."

Factual Basis:

This adoption is necessary to clarify that "local telephone service" means a toll-free number in the same geographic area as the CWD's telephone number.

Sections 11-601.213 and .213(a)

Specific Purpose:

These sections are being adopted to provide clarity of the phrases "opportunity to file an application for benefits" and "special assistance." Section 11-601.214

Specific Purpose:

This section is being adopted to define the phrase "regular eight hours of a working day."

Factual Basis:

This adoption is necessary to provide a consistent definition of what constitutes an eight-hour period of a working day. The <u>Blanco v. Anderson</u> court order refers only to the "regular eight hours of a working day" but does not specify what those hours should be. Rather than specify a rigid statewide standard, CDSS has opted to provide counties the flexibility of maintaining the current eight-hour period they are open to the public. The hours of operation chosen by each county are based on the assessment conducted under Section 63-205.1.

Section 11-601.215

Specific Purpose:

This section is being adopted to define "working days."

c) Identification of Documents Upon Which Department Is Relying

- <u>Blanco v. Anderson Court Order</u>, United States District Court, Eastern District of California, No. CIV S-93-859 WBS, JFM, dated January 3, 1995.

- 45 CFR 233.10(a)(1)(vi)

d) Testimony and Response

[To be completed after the Public Hearing.]

e) Local Mandate Statement

These regulations do impose a mandate upon local agencies, but not on school districts. There are no "state-mandated local costs" in these regulations which require state reimbursement under Sections 17500 et seq. of the Government Code because any costs associated with the implementation of these regulations are costs mandated by federal law, as interpreted by the court order in Blanco v. Anderson, within the meaning of Sections 17513 and 17556 of the Government Code.

f) Statement of Potential Cost Impact on Private Persons or Businesses and of Alternatives Considered

CDSS has determined that the proposed regulations do not impose an adverse cost impact on private persons or businesses, including the ability of California businesses to compete with businesses in other states because these regulations do not impact private persons or businesses.

CDSS has determined that no alternative considered would be more effective in carrying out the purpose for which the regulations are proposed or would be as effective and less burdensome to affected persons than the proposed action.

CWDs are responsible for determining the location and hours of operation of certification and issuance services available to Food Stamp applicants and recipients based on an assessment of their needs. To make this determination, CWDs shall conduct an annual review of the hours of operation of Food Stamp certification and issuance offices to ensure that the needs of recipients who work are adequately met. The results of these reviews shall be submitted to the California Department of Social Services to be retained for review by the federal Food and Nutrition Service. Example: On Friday, when the CWD is closed, an applicant deposits an application for Food Stamp benefits in a mail slot designated for that purpose. The application will be date stamped with Friday's date or it will be otherwise indicated on the application that it was received on Friday, the date of application. Had the applicant made a request for Homeless Assistance, Food Stamp Expedited Services, Medi-Cal, or AFDC Immediate Need via the local telephone service on Friday, the date of application would be Friday and the application would have to be processed within established time frames.

Chapter 11-600 LAWSUITS INVOLVING MULTIPLE PROGRAMS

11-601 BLANCO v. ANDERSON LAWSUIT

11-601

HANDBOOK BEGINS HERE

.1 Background

The Blanco v. Anderson lawsuit challenged the closure of county welfare department (CWD) offices during regular business hours except Saturdays, Sundays, and legal holidays.

The initial decision, issued on December 16, 1993, addressed only the closure of CWD Food Stamp offices without first having completed a review of the office hours of operation as required by federal regulations at 7 CFR 272.4(g). Emergency state regulations implementing the specific federal regulatory requirements for the required annual office hours review were effective June 1, 1994.

The final judgment, issued December 20, 1994, and amended January 3, 1995, finds that by allowing CWDs to close their offices during the "regular eight hours of the working day," class members have been denied their right to apply for and receive Food Stamp, AFDC, homeless assistance, and Medi-Cal benefits. The court ordered that when the CWDs are closed during the regular eight hours of the working day, they must do the following. They must make it possible for individuals to apply for and receive Food Stamp, AFDC, and Medi-Cal benefits, including emergency benefits, within the time limits prescribed by state and federal law. The CWDs must also provide notice of their hours of operation and of the procedures, during these hours of closure, for applying for and receiving these benefits, including emergency benefits.

These regulations implement the December 20, 1994 judgment as amended January 3, 1995.

HANDBOOK ENDS HERE

.2 Definitions

- .21 For purposes of these regulations, the following apply:
 - .211 "Accept and act upon all applications for emergency benefits" includes providing such emergency benefits within the time limits prescribed by federal and state law.
 - .212 "Local telephone service" means a telephone number which is toll-free for the same geographic area as the regular telephone number for each CWD office.

- .213 "Opp unity to file an application benefits" includes the provision of special assistance under 7 CFR 273.2(e) and (f) (see Sections 63-300.4 and .5) and 45 CFR 233.10(a)(1)(vi) (see Section 40-157.213).
 - (a) "Special assistance" means assisting the applicant as necessary in order to provide emergency benefits within the time limits prescribed by federal and state law, including waiving the face-to-face office interview, conducting the application interview by telephone, and assisting the applicant in gathering needed documents.

If the CWD office is never open eight hours on a working day, the "regular eight hours of the working day" shall mean the hours that the CWD office is open, plus an additional time period(s) immediately before, after, or between these hours, which cumulatively equal eight hours.
- .215 "Working days" means Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays, excluding federal and state holidays.

.3 County Responsibilities

- .31 If a CWD closes its offices at any time during the regular eight hours of a working day, the CWD shall do all of the following during those hours of office closure:
 - .311 Provide individuals the opportunity to file an application for and receive Food Stamp and/or AFDC benefits within the time limits prescribed by federal and state law.

 - .312 Provide individuals the opportunity to file an application for and receive expedited Food Stamp, immediate need AFDC, and/or homeless assistance benefits within the time limits prescribed by federal and state law.
